

Security Woodscrews

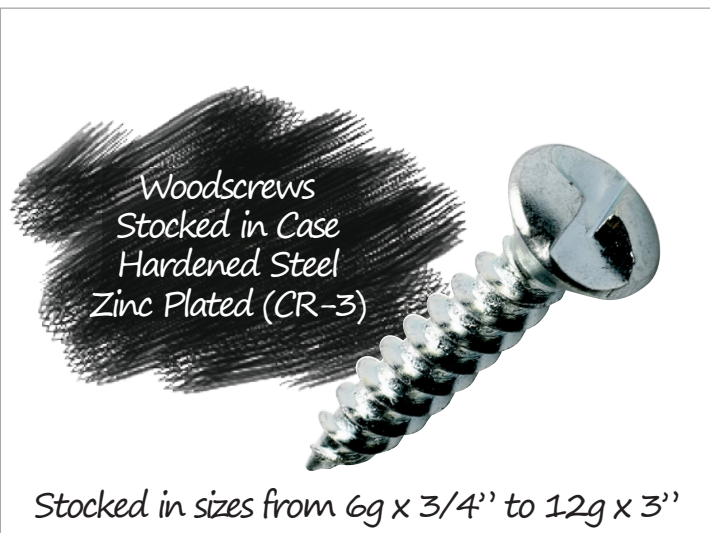

Sentinel®

Unique one-way pozidrive security woodscrews.

This drive only operates in a clock-wise motion leaving a permanent finish. Ideal for easy and fast application using a standard pozi screwdriver.

Stocked in sizes from 6g x 3/4" to 12g x 3"

Clutch Head

The original one-way security drive

The special ridged design of this drive means that it can only operate in a clockwise motion. Installed using standard slotted screwdriver - no special tools required.
